UNDERWOOD TO SEEK SEAT IN THE SENATE

House Leader Expected to Make Formal Announcement of His Candidacy With Platform, Tonight.

By International News Service.

WASHINGTON, Oct. 3.—Oscar Underwood, Democratic house leader, father of the present tariff bill, is openly a candidate for the United States senate from Alabama to succeed the late Senator Johnston for the long term. Mr. Underwood will make his formal announcement tomorrow night, outlining his platform.

It is accepted here that this action by Underwood eliminates him from the candidacy for the presidency in 1916, because it is the general belief that he will be elected to the senate.

Representatives Hobson and Clayton are also senatorial candidates and Clayton has been named to fill the unexpired term of Johnston. The senate has not seated Clayton.

Senator Bankhead is said not to be in sympathy with the Underwood movement. Bankhead's son is running for congress in the Hobson district. Should Hobson, finding himself out of the running against Underwood, elect to withdraw and run again for congress, young Bankhead would find himself with a dangerous competitor.

GALLERY COLLAPSES; MANY ARE INJURED

NEW YORK, Oct. 3.—A hundred persons fell fifteen feet in a scrambling mass in an uptown hall today through the collapse of a gallery. Several were injured. The hall was being used as a synagogue.

Though many were shaken up, the injuries of only four were serious. Ambulances summoned were not needed, as only one of the injured would go to the hospital.

The structure sagged slowly at first,

giving those below ample time to run from under. The slow fall also saved those it threw down from more serious injury. The hall was crowded and panic prevailed until it was determined that no one had been killed.

Guilty of Bigamy.

KANSAS CITY, Mo., Oct. 3.—A. O. Jacobs, a horse dealer, who has been married five times, was found guilty of bigamy in the district court in Kansas City, Kan., today. He will be sentenced tomorrow. Four of Jacobs' wives are living. His last two marriages were concerned in the bigamy charge.

SAVE and HAVE

—two conditions that are inseparably associated if proper care is taken of the money you put away. More and more people are learning to save the small change that accumulates almost daily. Small coin banks that can be kept at home are most convenient for this method of saving and for the benefit of the customers of our Savings Department we have just purchased a new coin bank that we call "Save and Have." It is a very strong, light and convenient little bank and you are cordially invited to ask for one the next time you visit the bank.
